Description :

PDF-8b263 | The Barricade is all that separates the Northern Russian Empire from what remains of the world's plague-decimated population. Snaking 8921 kilometres across Eurasia, the Barricade is crafted from the New World's nanotechnologies. Breathing, thinking, constantly regenerating, it sustains those charged with defending its districts from those desperate to find refuge in the north. Atop the battle... *Barricade*
