Description :

PDF-d823d | In 2017, the course of human history was forever altered. A cataclysmic event, which would come to be known simply as The Infection, swept across the globe. The world population was decimated and civilization as it was known came to an end. Malcolm Evans and his group are thriving in Sanctuary, the island refuge built by the CIA. With the return of a family member they'd long thought dead, old riv... *The Complex (The Omega Protocol Chronicles)*
