Description :

PDF-631ab | Thomas assured me this was another quick, easy project to fix space-time. Now, after two years of asking, demanding, yearning to go home, I'm still stuck in 1830's France, with a new set of physical and emotional scars, no sign that Steve will ever open the gate from his side and get me home. And no Thomas. Not anymore. What's my future, now that I'm trapped two centuries in the past, with a... *Entanglement: Book Three in the Stasis series*
