Description :

PDF-3f529 | Thrown back to the year 1897, Victoria Ashton must impersonate the Countess of Guildford. Despite Victoria's attempts to convince the earl she's not his wife, her counterpart's infidelity, lies, and ill-tempered personality make it difficult. Worse, Victoria is falling in love with a man who loathes her. Only when the earl begins to believe her story does she realize her future lies in the p...
