Description :

PDF-a80dd | Time is not a river. It is a vast cosmic sea. Where each life exists as rippling circles on its surface, past and future being eternally present. And occasionally, one expanding ring intertwines with that of another, weaving the lives of two people together. . . .In 2012, Emme Wilde can't find the right guy. She wants to feel that swept-off-your-feet dizziness of true love. But so far, her dating...
