Description :

PDF-d8ee8 | What is a girl to do when an awkward first date leads to a trip back in time? When she agreed to go on a date with quantum physicist, Dr. David Fergusson, Kate Kallastad never expected that he would insist on demonstrating his breakthrough in his RAL funded research into the creation of a trans-space teleportation device. Nor did she expect to get caught up in a science experiment that would send ... *Nothing But Time*
