Description :

PDF-75fbf | In a not very distant future, androids and robots fight our wars, care for our elderly, manage our prisons, and socialize our populace. One of the most important roles for androids is to help our young navigate the stormy seas of adolescence. A better diet and improved living standards have had the unintended consequence of pushing children into physical maturity long before they are mentally prep... *Sexbot: Book One - Love Bites (Volume 1)*
