Description :

PDF-88333 | In 2082, androids are an essential part of daily life. Some are helpful, some would make better toasters, and some are so human-like they're creepy. Back in Atlanta, Detective Cooper's latest client has him searching for her boyfriend who she thinks was replaced by a simulation, an illegal clone android. The guy also happens to be a popular new congressman. To make matters more complicated, Co...
