Description :

PDF-32b17 | Reina stopped caring, and she doesn't know why. After years of working for the Earthian Space Fleet, spending her days in quiet anticipation as a back-up pilot, doing her work well, if indifferently, she was approached by her superiors and asked to captain the last mission into the abyss, altering the course of her life. What does a Cyborg do when he has the power of the entire network? When his a... *Star Navigator (Stranded in the Stars Book 3)*
