Description :

PDF-0299b | When Dr. Nathan Hawke broke the laws of Time, the last thing he expected was for Time to take it personally. An epic adventure across time itself in a tale of love, mystery, intrigue, drama and suspense as one man challenges the ages only to find that the concept of Time is far more than what it seems. The year is 2033. Once considered a leading mind in Quantum Theory, Nathan Hawke finds himself e... *Time Will Tale*
